THANK YOU WINNIPEG

Winnipeg is a great place to live! We have so many amazing things to experience—from sports teams (the Winnipeg Jets are back!) to world class arts and cultural celebrations. We also have an incredible United Way which, through a network of over 100 agencies, programs, and partnerships, makes our city an even better place to live for all Winnipeggers.

Yes, Winnipeg has its challenges. But together, through United Way, we can ensure that our families, friends and neighbours can live in a strong, healthy and vibrant community. That every child is safe from the dangers of drugs, gangs and life on the street. And we can break the cycle of poverty so that everyone has a chance to succeed.

As the 2013 Campaign Chair, this will mark my fifth year on the campaign cabinet. I’m often asked why I’m involved in United Way. I have a simple answer. I should and I can.

I believe each one of us has a responsibility to give back to our community. Therefore I should. I’m fortunate to work with a great team at Birchwood Automotive Group and I have a very supportive family who allow me the opportunity to volunteer with United Way. Therefore I can.

But from a very selfish perspective, I know that being involved with an organization like United Way makes me a better person. I’m challenged daily to continue
to improve my personal skill set, and that translates into my workplace. I’m able to interact with committed and generous Winnipeggers in every corner of this community—like the people whose names fill this book. They helped us raise nearly $20 million last year, money that is right now changing lives for the better and that humbles me.

And I see the change that’s possible as a result of our combined efforts. I’ve met people who rose above seemingly insurmountable challenges because of the programs this money makes possible. And that inspires me.

So why wouldn’t you want to be part of such a great organization?

Thank you for doing your part. I hope you’ll join me again in the coming months. A better community truly does start with you.

Steve Chipman
President, Birchwood Automotive Group
2013 United Way Campaign Chair
At United Way, Leadership is a generous expression of community spirit and pride. Beyond a gift, Leadership is a commitment to making our city better for everyone who lives here. It has nothing to do with your job or how much money you make. A Leader is someone who cares, someone who wants to make a difference, and someone who understands what a tremendous difference a donation at that level can make.

It is a great honour to be championing such incredible generosity as United Way’s Deputy Chair of Leadership for 2013. I am excited to work with so many great people and organizations in our city to shine a light on the importance and impact of our support as Leaders.

This book contains the names of 2721 Winnipeggers who stepped up to Leadership in 2012. Together we raised more than $8.2 million. Thank you all for your outstanding generosity. A special thank you also to Len Penner (President, Cargill Ltd.) for your contributions as Deputy Chair of Leadership over the past two years.

I look forward to sharing the stories of how your donations are already changing lives and how we can continue the work by stepping up to Leadership again this year. Real change in Winnipeg starts with Leaders.

Kelvin Shepherd
President, MTS

To learn more about the many different ways you can make a positive difference in your community through United Way, visit UnitedWayWinnipeg.ca
What does United Way do?

United Way works to create opportunities for a better life for everyone by engaging Winnipeggers from all walks of life, and inspiring action to help build a better community.

It’s all based on the simple but profound belief that we are stronger and can have an even greater impact together than we ever could alone.

We all win when our community is stronger and safer, and people are happier and healthier.

How is United Way different when it comes to making a difference?

United Way takes a collaborative, researched approach to making a difference, focusing on four community impact strategies that guide efforts to make progress in three essential focus areas.

Together, they are the formula for the ongoing stability of a critical network of strategies, programs and services and achieving a shared vision of a thriving city where everyone can realize their potential.

Ashlyn, and son David (pictured opposite page) are regulars at a United Way supported drop-in program in North Winnipeg that helps families in the neighbourhood meet basic needs and improve parenting, employment, life and social skills. It is one of more than 100 interdependent programs, partnerships and agencies that form the essential network United Way supports and strengthens.

To learn more about the many different ways you can make a positive difference in your community through United Way, visit UnitedWayWinnipeg.ca
A Strategic Approach

Support an Essential Network
As the only organization apart from government to provide multi-year core funding, United Way supports and strengthens an essential network of more than 100 interdependent programs, partnerships and agencies by focusing on building stability and sustainability.

Address Underlying Causes
United Way is committed to partnerships that are working to find innovative solutions to the underlying causes of our city’s most pressing issues — to prevent problems from occurring in the first place and create long-lasting change.

Build Knowledge & Influence Change
United Way collaborates with leading organizations to gather research and community input to build awareness, dispel myths, and inform policies that contribute to removing barriers for people who are working to create better lives for themselves and their families.

Inspire Action
United Way inspires people to take action and be a part of making our city a better place to live for everyone. Everyone has a role to play and can make a difference. Whether it’s sharing time, knowledge or dollars, together we can accomplish more than we ever could on our own.
Making progress in three essential areas

Despite our unique differences, we all share certain requirements for a good life: a quality education that leads to a stable job, income that can support ourselves and our families through to retirement, personal well-being and a safe, supportive and thriving community.

**Helping Kids Be All They Can Be**
To succeed in school and life, children need role models and the skills to help them graduate and achieve their full potential. United Way supports mentorship, counselling, and out of school programs that nurture self-esteem, confidence, positive behaviour and a sense of belonging so kids can grow into engaged and productive adults.

**Moving People From Poverty To Possibility**
To be financially stable and self-sufficient, families first need the knowledge and tools to maximize their income and savings. United Way supports money management and matched savings programs, financial counselling, social enterprises, and employment training programs that help individuals and families build their assets for long-term stability.

**Encouraging Healthy People, Strong Communities**
The health of our neighborhoods and the well-being of individuals have a profound impact on the quality of life in Winnipeg. United Way supports recreation, parenting, wellness, mental health and social programs that give people the tools, confidence and support to take better care of themselves, their families and our community.

Moving People From Poverty To Possibility
A gift of $5000 makes it possible for nine people in low-income situations, like Lani, to enroll in a money management training and matched funds program, helping them save for important assets like a computer, education or training and ultimately re-enter the workforce and achieve financial stability.

* 10+ years of Leadership giving
A gift of $2400 means three kids like Georgeina, who might not otherwise get the chance, can attend a Learning Enrichment Program, a unique urban summer camp that allows them to participate in fun and educational activities. This keeps their minds and bodies active during the summer months and improves their chances for success next semester – and in the next chapter of their life.

Encouraging Healthy People, Strong Communities
A gift of $1200 means four families like Lisa’s and Tammy’s, who are struggling to make ends meet, can participate in a Make n’ Take program that teaches them how to cook with wholesome ingredients on a budget and bring home dinner once a week for an entire year.

Winnipeg’s pride and vision are natural motivators to drive change. Through our quiet determination and endless generosity, United Way of Winnipeg is able to build real connections between a dream and making a difference. I am inspired to give to United Way of Winnipeg because they create a better city to live, work, and play – for everyone.

When you are part of a community, the issues affecting those around you become your issues. There has always been a special relationship between unions and United Way. I donate because we both believe that everyone is entitled to a healthful, safe and dignified life and should be given opportunities to reach their full potential.

Gifts to the TOMORROW FUND
United Way of Winnipeg’s endowment fund

2012
My wife and I continue to support United Way through the annual campaign and by building our Named Fund in the Tomorrow Fund. We’re delighted that many friends and family have elected to mark special occasions in our lives by contributing too. It’s become very special to us and represents a lasting gift to our community.

As Chair of the Tomorrow Fund, I’m looking forward to connecting with individuals and organizations who have supported United Way with gifts of time and money in the past, and encouraging them to follow our example.

Gus Campbell
Chair, Tomorrow Fund
I was devastated when my son Brian took his own life. I decided to honour his memory by establishing the Brian David Schellenberg named fund at United Way. I find great solace knowing his name will carry on helping students and young people in our community succeed, even after my passing. What better way to celebrate my son’s life.

As we started our life together, we thought about the kind of community we wanted to live and someday raise children in. We wanted it to be somewhere that valued and supported all community members. The decision to support United Way through our named fund seemed the best way to ensure that.

Through our professional and volunteer roles, we’ve seen the enormous difference that support makes. While it may be cliché, we know donations to United Way change people’s lives.
Celebratory Gifts

Thank you to those donors who made a gift to United Way in celebration of a special occasion such as a birthday, anniversary, retirement, or bar/bat mitzvah.

Gifts of Life Insurance

*Individuals who named United Way as a beneficiary or transferred policy ownership.*

RBC is proud to sponsor the Honour Roll.

RBC’s tradition of philanthropy dates back to our roots, with donations on record as far back as 1891. Our priority is to make donations that offer a lasting social impact, and we know United Way is a key community partner making a positive difference in the lives of many people.

RBC Royal Bank is pleased to support this year’s Honour Roll and celebrate the many caring individuals and outstanding organizations who so generously support our community. People in our community with the vision and willingness to invest in United Way are helping to create opportunities for a better life for everyone. We thank the many supporters who are investing in our community through United Way.

Rob Johnston,
Regional President, Royal Bank of Canada Financial Group
